Member of the Month Hyeon Lee

This month's SOS Member of the Month is Lee!

Lee has been consistently bringing humor to our toastmaster meetings. He comes up with clever entertaining Table topics from "Pick 3 letters to create a club name" to "Please explain this Japanese hand symbol."

Also, Lee kept the whole club on their edge of their seats with his vocal variety speech: The Restaurant of Many Orders.

Congratulations Lee on being SOS toastmaster's Member of the month!

**Welcome new
member Daniel!**

How long have you been in San Diego? I've been in the San Diego area since April 2007.

What do you do? I'm in Commercial Operations at Organogenesis. We produce a skin substitute for diabetic foot ulcers. I work in the corporate office, supporting sales reps and managers out in the field.

What do you like to do for fun? In my free time I like to run, surf, kayak, bike and hike. Around the house I like working in the garden, home improvement and decorating projects, playing piano, and I'm learning guitar. I also like to take my kids fun places and see new things. I'm always up for an adventure.

Where have you traveled? I've been to about 15 of the United States including Alaska and Hawaii, Vancouver Canada, and the West coast of Mexico.

Where would you like to travel? Everywhere! I wish I had an infinite amount of money and an infinite amount of days on Earth so I could visit every village in every country. I want to go all over Europe, especially France (because I studied French), Ireland (because my boyfriend is part Irish and so is my sister's husband), and Sweden (because my mom's parents are from Sweden). I also want to go to Japan, China, Australia, New Zealand, South America, Central America, and as many islands in the South Pacific as I can.

What is your favorite food? I love all food. I like trying new things and will eat anything. Some of my favorites include sushi, actually any type of seafood, pizzas with lots of toppings, huge salads with everything in them, a really good cheeseburger with sweet potato fries.

What is your guilty pleasure? I don't know if it's really a "guilty" pleasure . . . I love watching the show Glee on Netflix. I like watching all the singing and dancing they do, and I wish I had some of their talent. I actually love all musicals and I love going to the theater for live performances.

What do you like about Toastmasters? I like that Toastmasters pushes me out of my comfort zone, and forces me to get up and talk in front of a group. Even though it's a challenge for me and I sometimes dread going up for speeches and table topics, I can feel the confidence growing every week. I continue because it's fun, I like the people in our club, and I still have a long way to go.
